

Applications

Our complete repair kit for button operated toilet cisterns

Water Saving

- ~ Delay-fill compact float inlet valve
- ~ Dual flush cable operated Victoria flush valve.

Features

- ~ Victoria flush valve with long life silicon rubber seal
- ~ Hydroflo compact brass tailed telescopic bottom inlet valve
- ~ Contains all close-coupled fittings required to fully refurbish the cistern
- ~ 3 year warranty
- ~ Easy fit & service.

Technical Data

Inlet Valve	Hydroflo Compact Float Brass-tailed Telescopic
Outlet Valve	Victoria Cable Operated
CC Fitting Type	Through Bolts and CC Plate included
Flush Option	Dual Flush
Product Code	372686

Applications

Designed for use as a replacement in most plastic and ceramic exposed and concealed cisterns

Also supplied as standard or as an optional extra in Dudley cisterns

- ~ True AG Air Gap
- ~ No silence tube

Water Saving

Delay fill saves water and supports BREEAM by only allowing a cistern to start refilling once flushing is complete.

Features

- ~ Telescopic height adjustment - 203mm (8") to 292mm (11½")
- ~ Professional ½" BSP brass tail
- ~ Compact body and float assembly
- ~ New simple and efficient 2-piece filter design
- ~ Unique float arm makes it impossible for the float to become detached
- ~ 3 available options of quiet fill technology:

Valve Option	Fill Nozzle		Flow Control		WRAS Approved
	Standard	Enhanced	Restricted	Regulated	
Standard	✓		✓		✓
Enhanced		✓	✓		✓

- ~ Enhanced option offers integrated quiet fill action
- ~ Flow Regulated option includes integrated quiet fill action together with 6 litre per minute flow control for ultimate quiet fill performance.

Technical Data

Connection	½" BSP brass tail
Adjustment	65mm float height range
Valve Type	Diaphragm
Float	Compact (Delay-fill)
Conformity	BS 1212-4

Dimensional Data

Applications

Ideal for use as a replacement in concealed cable operated cisterns typically mounted behind panelling or within furniture units.

Water Saving

~ 6/4 litre dual flush

Features

- ~ Suitable for 48mm (1½" BSP) and 60mm (2" BSP) outlets utilising supplied 2" adaptor
- ~ Chrome plated dual flush push button - Can replace a traditional flush lever in some furniture and close coupled installations.
- ~ Bayonet fitting enables valve body to be quickly and easily removed from the cistern
- ~ Easy adjustment
- ~ Now supplied with our NEW Valve Mate - retrofit flush valve adaptor. Designed to allow the Dudley Victoria Outlet Valve to retrofit the Fluidmaster Pro 550 and Wirquin Kayla flush valves.

Dimensional Data
