TECHNICAL SPECIFICATIONS

Maximum operating pressure 5 bar Peak operating pressure 7 bar Aqualisa SmartValve' inlet fitting connections 15mm push fit Valve inlet centres 48mm Inlet supply positions Het right, cold left Aqualisa SmartValve' outlet fitting connection 15mm push fit Permissible Aqualisa SmartValve' sitting location 15mm push fit Supply temperature cold inlet temperature to Contain temperature		
Aqualisa SmartValve" inlet fitting connections Aqualisa SmartValve" inlet fitting connections Inlet supply positions Hot right, cold left Aqualisa SmartValve" outlet fitting connection I5mm push fit Aqualisa SmartValve" outlet fitting connection I5mm push fit Cold inlet emperature 1°C (minimum) Cold inlet temperature 1°C (maximum) Hot inlet temperature 5°C (maximum) Hot inlet temperature 5°C (maximum) HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Wi-Fi & App compatible - control your product with your smart phone and smart home device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve" Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome S-year guarantee - shower unit 2-year guarantee - shower head and kit CE Marking UKCA	Minimum operating pressure	1 bar
Aqualisa SmartValve" inlet fitting connections 7	Maximum operating pressure	5 bar
Valve inlet centres	Peak operating pressure	7 bar
Inlet supply positions Aqualisa SmartValve** outlet fitting connection 15mm push fit Loft, airing cupboard, under bath Cold inlet temperature 1°C (minimum) Cold inlet temperature 1°C (minimum) Cold inlet temperature 5°C (maximum) Hot inlet temperature 5°C (maximum) Water system HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Wi-Fi & App compatible – control your product with your smart phone and smart home device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve** Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome S-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA	Aqualisa SmartValve™ inlet fitting connections	15mm push fit
Aqualisa SmartValve" outlet fitting connection Permissible Aqualisa SmartValve" siting location Loft, airing cupboard, under bath Cold inlet temperature 15°C (minimum) Cold inlet temperature 15°C (maximum) Hot inlet temperature 65°C (maximum) Water system HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Wi-Fi & App compatible - control your product with your smart phone and smart home device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve" Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome S-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA	Valve inlet centres	48mm
Permissible Aqualisa SmartValve" siting location Supply temperature Cold inlet temperature 1°C (minimum) Cold inlet temperature 1°C (maximum) Hot inlet temperature 1°C (maximum) Hot inlet temperature 6°C (maximum) HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Wi-Fi & App compatible – control your product with your smart phone and smart home device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve" Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome S-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA	Inlet supply positions	Hot right, cold left
Cold inlet temperature 1°C (minimum) Cold inlet temperature 5°C (maximum) Hot inlet temperature 65°C (maximum) Hot inlet temperature 65°C (maximum) HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Wi-Fi & App compatible - control your product with your smart phone and smart home device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve* Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee - shower unit 2-year guarantee - shower head and kit CE Marking UKCA	Aqualisa SmartValve™ outlet fitting connection	15mm push fit
Supply temperature Cold inlet temperature 15°C (maximum) Hot inlet temperature 65°C (maximum) Hot inlet temperature 65°C (maximum) Hot inlet temperature 65°C (maximum) Hot inlet temperature 65°C (maximum) One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Wi-Fi & App compatible – control your product with your smart phone and smart home device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve** Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA	Permissible Aqualisa SmartValve™ siting location	Loft, airing cupboard, under bath
Features Cone touch start/stop control	Supply temperature	Cold inlet temperature 15°C (maximum)
EED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Wi-Fi & App compatible - control your product with your smart phone and smart home device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve** Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA	Water system	HP / Combi / Boosted gravity
Features Boost button for enhanced flow Wi-Fi & App compatible - control your product with your smart phone and smart home device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve**	Features	One touch start/stop control
Features Wi-Fi & App compatible – control your product with your smart phone and smart home device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve™ Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA UKCA		LED display indicates when pre-selected temperature has been reached
device e.g. Alexa, Google App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve™ Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA		Boost button for enhanced flow
App functions include start/stop, shower timer, user dashboard, usage tracker and help & support Aqualisa SmartValve™ Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA		Wi-Fi & App compatible – control your product with your smart phone and smart home device e.g. Alexa, Google
Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA		
Colour Chrome Guarantee period 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA		Aqualisa SmartValve™
Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA UKCA		Compatible with wired remote control
Guarantee period 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking UKCA		105mm, 4 spray patterns (adjustable head) including eco-spray option
Guarantee period 2-year guarantee – shower head and kit CE Marking UKCA	Colour	Chrome
2-year guarantee – shower head and kit CE Marking UKCA	Guarantee period	5-year guarantee – shower unit
Approvals UKCA		2-year guarantee – shower head and kit
