Availability: In Stock

[Buy Now](#)

Details

The body of the C1 filter is filled with granular activated carbon and is designed to fit inside the Liff NP1, NDL2 or NCP1 10" water filter cartridge housings. The C1 removes bad taste and odour from water and can be installed on the incoming main if required.

CHANGING THE FILTER CARTRIDGE. It is recommended that C1 water filter cartridges are changed at least every 6 months, but on occasions it may be necessary to change the water filter cartridge more frequently.
